

## Innovative drawer cutlery dividers system

### Application

- Ideal for cutlery and utensil storage.
- Suitable for any drawer widths starting from 300mm.

### Description

#### **CONNECT The ideal solution for your drawers organization.**

An harmonious and linear design for easy installation in any drawer size. A base container is the starter of your configuration, with which you add L or E shapes dividers and connectors for the assembly. Your needs change ? Unmount your configuration and make a new set up in a fingertip.

The flexibility and the mounting of this product becomes a game. The mounting of a product will never have been so funny.

### Advantages

- A base container, L shape and E shape dividers and connectors for assembly, allows you to get the ideal organization in your drawers.
- Available in complete set including an anti-slip mat (for drawers widths of 500mm (19 3/4") or 550mm (21 3/4") or in individual parts in bulk.
- Trendy dark grey color, they match perfectly the new Blum Orion grey.
- Suitable for any type of drawers.
- Harmonious and linear design that allows you to make any organization according to your needs. Your imagination is the only limit.
- No cut out and no tools required for installation.
